

This is your chance to make history. You can join in the making of tomorrow's blockbuster

## FELIX de BIARRITZ

QUESTIONS	ANSWERS	YOUR SCORE
First, we need a spectacular setting. A house over a stormy sea would be ideal. If a bit of history is attached to it, it will even give the movie substance. Find a villa which hasn't always been a villa.	Name of the villa :  Date of construction : What was it used as :	
The plot will involve a group of young American surfers who came here for the waves and got more than what they paid for. Find who started the surf craze in Biarritz and who he was ?	His name :  Who was he ?	
Part of the action will take place in a nearby town referred to as « the vipers'nest ». Some explaining will be necessary for the viewers to understand the background of the plot. You must find who the vipers were and who called them so.	What is the Viper's nest ?  Who were the vipers :  Who called them so ?	
A little glamour is always a good idea. You must find a building where a king got married. Some of the scenes will be shot there. So, can you please give all the details and mention if it is privately owned or if it is a public place.	Name the building :  Date of the wedding :  What is this place :	
The port of Biarritz is very picturesque and very easy to film because of its location. Despite its small size, it used to be a very active centre in the past.	What activity what done there ?	
In choosing a shoot location economy plays a part. Too much time and money is often lost waiting for the weather conditions to be right. The local authorities tell us this will not happen here. Find about it.	Average temperature in summer :  Average temperature in winter :	
When making a movie the comfort of the crew is essential. Can you find a hotel which was built by an emperor for his wife. Money isn't a problem. Only the film director and his secretary will stay there. The rest of the crew will be snug in a nearby camp site.	Name of the hotel :  Who had it built ?  Name a famous guest :	
A good action movie cannot do without a couple of spectacular stunts. In an earlier episode Felix jumped from the Eiffel Tower. Find a construction which was built by the same company.	Name the construction :  When was it built :	
A lighthouse would also come handy for breathtaking actions and a couple of nice views over the bay. Find one with a good view over the town and the beach.	Name of the lighthouse :  Date of construction :	
Finally, we will take advantage of the natural beauty of the place. We have noticed the many changing hues of the sky and the sea but where does the strange orange colour of the rocky islands come from ?	The colour comes from ...
